POSITION OVERVIEW:

Under the general supervision of the Assistant Director, Physical Therapists (PT) are responsible for providing appropriate therapy intervention services designed to enhance students' potential for learning. They assist students in acquiring functional skills needed to participate in and benefit from the educational environment, and to help students increase independence. Physical Therapists work to improve, develop, restore, and/or maintain a child's active participation, self-maintenance, work, and leisure/play in educational environments. Their role includes consultation with school providers and families, assessment and planning, goal implementation, and monitoring for students receiving special education. Other duties include modifying and adapting equipment and third party billing documentation. Position is primarily during the school year, but includes some hours in the summer.

QUALIFICATIONS:

Possession of a degree in physical therapy from a school accredited by the American Physical Therapy Association (APTA).
Minnesota State Licensure as a Physical Therapist.
Education or pediatric experience is preferred.
Valid driver's license in the State of Minnesota and ability to drive to various locations.
Ability to lift and transport necessary equipment.
