

Position Type: Licensed Birth-3/Early Intervention Teacher

Location: Benton Stearns Education District

Work day/Year: Up to Full-time-182 Contract Days

Starting Date: August 2025

Salary Range: \$49,819-\$98,015 based on education, years of service & FTE calculated

Closing Date For Applications: Open until filled

About Benton Stearns Education District: BSED is an education district serving six member districts including Sartell, Sauk Rapids Rice, Rocori, Foley, Kimball, and Holdingford. The Birth-3/Early Intervention Teacher will implement developmentally appropriate curriculum to children primarily in their home or the student's natural setting, develop/implement Individualized Family Service Plans, perform initial/ongoing evaluations, and collaborate consistently with all members of the student's team for positive outcomes.

Required qualifications: 1) Early Childhood Special Education license preferred, but not required. 2) Must have a valid driver's license

See attached [job description](#) for additional information

Application Procedure: Qualified candidates should email or mail their letter of interest, resume, 2 reference letters and a completed certified application for employment (on the Benton-Stearns website) to:
